

Introducing LG Learning's rewards program where completing training earns you currency to redeem for raffles and contests for LG products.

To access the new hub for LG's rewards, click the Gamification button in the top right of the LG Learning portal. This will open the My Gamification Pane, see below for more info.

- 1 Rewards Stats:** This lets you know your current balance of badges, points and coins at a glance.
- 2 Recently Earned Badges:** This list shows all of your recent badges you've earned.
- 3 Badges & Points:** This will take you to the Badges & Points page to see all the badges you can earn and how to earn them.
- 4 Rewards Shop:** Here you can access the rewards and see what current contest raffles are currently available for redemption.

Badges & Points

Points are earned from earning badges, which can be gained by completing training, scheduling training with your FSR, watching Quarterly Training Seminars and more! As time goes on, the badges you earn will show up here in the 'My Badges and Points' section of the portal.

Rewards Shop

In the Rewards Shop you can view all of the available monthly raffles available for redemption via the points/coins you earn with the Rewards program. Details of the raffles are subject to change, so keep an eye out for new prizes as time goes on! When you redeem for a ballot it submits a request for a ballot which will then be used for the ballot once accepted.
