LG Induction Ranges

Key Features

UltraHeat™ Induction Elements

With either 4300 or 3900 Watts of power, LG's induction slide-in ranges offer powerful cooking performance that can bring a pot to boil in no time.

ProBake® Convection

With its 2500-Watt convection element, LG's professional baking system provides precise results and many different cooking settings.

Air Fry

With LG's built-in air fry setting, you can make all your favorite mouth-watering snacks without all the guilt! (air fry rack included)

Auto-Dispensing

The evolution of ezDispense™

WM4500HBA

1st Generation

- 1 Auto liquid soap reservoir with 18 load capacity
- 2 Auto liquid softener reservoir with 18 load capacity

WM6700HBA

2nd Generation

- 1 Auto liquid soap reservoir with 18 load capacity
- 2 Auto liquid softener reservoir with 18 load capacity
or secondary main soap reservoir to expand detergent capacity up to 31 loads

WKEX300HBA

3rd Generation (NEW)

- 1 Auto liquid soap reservoir with 18 load capacity
- 2 Auto liquid softener reservoir with 18 load capacity
or additional soap reservoir allowing for a second **different detergent** also expanding soap capacity up to 31 loads

WKEX300HBA WashTower™

Key Features

AI Wash

Optimizes cycle based on contents of laundry

Temp. Warm High Spin Soil Medium

WASH/DRY SETTINGS

Built-in sensors use AI technology to detect fabric texture, soil level, & load size, then customize wash/dry motions and temps.

ezDispense™

LG ezDispense® auto dispenses the right amount of detergent & fabric softener—skipping refills for up to 18 cycles.

TurboWash™ 360°

5 Powerful Jets

CERTIFIED Allergiene™

Top-of-the-line innovations—TurboWash™ 360°, Allergiene™ wash cycle technology deliver our advanced cleaning performance

Washer

Dryer

AI Sensor Dry

Built-in sensors & AI detect fabrics, load size, and moisture to automatically adjust drying time – improving fabric care and energy savings.

TurboSteam®

LG's built-in steam generator allows you to reduce wrinkles and refresh clothes, toys and more in just 10 minutes.

Smart Pairing™

For the ultimate laundry hack

Smart Pairing™ lets the washer “talk” to the dryer to pick a compatible cycle based on the washing machines cycle information.
