New Design for 2023

Edge-to-Edge Seamless Mirrored Glass

InstaView®

Raid the Fridge without Losing Your Cool

InstaView® Door-in-Door® refrigerators have a sleek glass panel that allows you to see inside the easy access door without letting the cold air out. Simply knock twice on the glass to illuminate the contents within.

The InstaView® Family

33" & 36" Models Available

Cubed Ice

LG's newest addition to our ice family, Cubed Mini Ice, now offers a new type of texture to your soft drinks, sparkling water and other refreshments. Fridges equipped with this ice type will offer an industry leading **four** different ice types.
